Name _____ Phone _____

Cut off here and keep for your records!

Kids Discover the Trail! (KDT!)

- * Features field trips, pre-and post-trip classroom activities, and a take-home book that coordinates with the program content and theme.
- * Created by the Ithaca Public Education Initiative (IPEI) almost 10 years ago
- * Connects every ICSD elementary school child with a different Discovery Trail museum and the public library each year

KDT!* promotes understanding and respect among children who will eventually attend the same middle school. Students from different neighborhoods become familiar with one another through shared *KDT!* experiences. *See more at www.kidsdiscoverthetrail.org**

Each year IPEI funds *KDT!* with donations from individuals, families, businesses and foundations in our community. IPEI welcomes gifts of any size to help cover *KDT!* expenses and allow all children to participate without a "field trip fee". Gifts are tax-deductible and greatly appreciated; details at ipei.org. For more information, contact 607.256.IPEI or ipei@ipei.org.

Date of Field Trip _____ Destination/Purpose _____

Leaving school at _____ Returning at _____
